PEER SUPPORT WHILE WAITING FOR RESIDENCE PERMIT

For intercultural couples and families

Are you or your spouse waiting for residence permit?

Join our peer support group to talk with people in the same situation

What gives us strength and helps to carry on in a difficult life situation? What is the right way for me to talk about emotions and relationship?

Groups gather weekly. They are closed and based on confidentiality.

In Helsinki and Oulu groups meet face to face. In live chats you can participate from all over the country.
